

Eastern Lighthouse, a Cincinnati-Based Nonprofit Focused on Helping Romanian Orphans, Announces "Donate Your Birthday" Charity Program

EasternLighthouse.org, the premier Romanian Heritage Charity in US, announces a new program for 2014, focused on donating funds to Romanian Orphans.

"Donate Your Birthday" allows donors to easily create birthday mini-campaigns supporting donations to Romanian Orphanages.

Cincinnati, OH ([PRWEB](#)) October 31, 2013 -- [Eastern Lighthouse](#) just announced a new focus area for 2014, via the Donate Your Birthday program, an easy to create fund raising mini-campaign to help Romanian orphans. This builds on the very successful campaign of "Donate Your Glasses" in 2013, targeting gifts of lightly used eyeglasses to Romanian Orphanages.

Helen Sotropa, one of the founders says about the [Donate Your Birthday Program](#): "We now provide an easy way for children in America to engage in fund raising for the Romanian Orphans. Donate Your Birthday allows a one click creation of a gift-giving channel to someone who needs it most. With one birthday in America we can brighten the birthdays of 10 orphans in Romania."

All the funds collected are donated to children in Romania, via an Eastern Lighthouse qualified network of Orphanages. Local resources are also donating their time to the Donate Your Birthday program, so public donations accompanying the birthdays are going directly to their purpose – helping Romanian Orphans get a better future.

About Eastern Lighthouse

[EasternLighthouse.org](#), based in Cincinnati, Ohio, is the premier Romanian Heritage Charity in US, aiming to improve the lives of Romanian children. We pride ourselves on operating efficiently, and ensuring that 100% of the donations are making it to the children they were intended to help.
